SKI THE TASMAN GLACIER

The classic day skiing with 2 long runs of 8-12km each on the mighty Tasman Glacier and 3 scenic flights , usually in the famous Skiplanes, is one of the special trips to do in a lifetime. Landings and skiing on this trip are designed for the intermediate skier taking the easy angled slopes down the glacier. The Tasman Glacier is the longest glacier in the Southern Hemisphere (outside of Antarctica). Visit icefall areas, ice caves and the ice canyon-lands. Professional guides look after your safety. Great for intermediate skiers. Outstanding scenery.

Cost: NZ\$950 per person

Price includes:

- *Skiplane flights
- *Professional guide fee
- *Packed lunch
- *Safety equipment
- *DOC permits, landing fees and GST
- *Fat skis available for hire.

All ski trips operate every fine day from 1 July until the 31 October. This is an ever changing environment so there is no guarantee that specific features will be seen.
